

AMARILLO ESCAPE AND MYSTERY ESCAPE ROOM RULES

Please help us keep our establishment clean, safe and family-friendly.

Tame your inner Hulk Hogan

We kindly ask you to take care of the rooms and the objects found there. ***Remember, this is a game of the mind, not the muscle!*** It is possible to investigate the room without destroying it. Everything should open with ease with the right combination. All rooms are equipped with security cameras. Destruction of property will not be tolerated. Anyone observed damaging the rooms will forfeit their game and be escorted off the property without refund.

Don't be a trapeze artist or interior designer

All clues are at eye level or below so there is no need to climb on anything. In addition, do not move heavy furniture, remove artwork from the walls, or destroy the locks. Please use the paper and pen given to you to solve the clues and do not write on any other items including furniture.

Enter at your own risk

All participants must sign a release of liability before playing. Although we don't anticipate injury, you participate at your own consent and risk. Amarillo Escape and Mystery and/ or MK Flood, LLC cannot be held responsible. Anyone under 18 must be accompanied by an adult.

Keep it PG

This is a family-friendly establishment. You will not be able to participate if you are under the influence of drugs or alcohol, and please use age-appropriate language while in the presence of our junior sleuths in training.

Say "cheese"

We LOVE publicity! We encourage you to take pictures in the lobby and waiting areas. However, in order to allow others to enjoy the games, pictures, video and audio recordings inside the escape and mystery rooms are not permitted. After, the game, we have an area where you may use our props to take photos with your group. We reserve the right to take photos of our customers to use for marketing.

Please promote us, but don't give away our secrets

Keep clues, solutions for puzzles and combinations a secret so others can enjoy the game as well. Do not copy or replicate the design of the game room or the tasks in the game.

Have fun, and please return!
